CLAUSE SEVEN - PRICE INCREASE

7.1 – Prices are valid from the presentation of the price proposal.

7.2 – Prices are firm and fixed for the duration of the contract.

CLAUSE EIGHT – OBLIGATIONS

The obligations of the Contractor and the BNCE are those described in Annex A - Term of Reference.

CLAUSE NINE - PERFORMANCE GUARANTEE

Presentation of a Bank Performance Guarantee does not apply to the object of this Contract.

CLAUSE TEN - ADMINISTRATIVE SANCTIONS, RESPONSABILITY FOR DELAYS, LOSS OR DAMAGE

10.1 - An administrative sanction is committed by a Contractor who:

- a) fails to perform the contract, due to the total or partial non-performance of any of the obligations assumed in the contract;
- b) delays the execution of the object without reasonable explanation;
- c) presents false documentation or makes false statements during the performance of the contract;
- d) defrauds in the execution of the contract;
- e) behaves in a disreputable way; or
- f) commits tax fraud.

10.2 - For total or partial non-performance of this contract, and upon guaranteeing prior right of defense to the Contractor, the Contracting party may apply the following sanctions:

- a) **Written Warning** for minor faults, considered those that do not cause significant damage to the provision of the service object of the contract;
- b) **Fine** as per terms of this contract;
- c) **Temporary suspension of entering Public Tenders and impediment from contracting with BNCE**, for a period of up to two years;
- d) **Impediment from entering Public Tenders and contracting with the Brazilian Government**, while the reasons for the penalty persist or until they have been addressed/resolved with the authority that applied the penalty, upon reimbursement, to the Brazilian Navy, for the resulting losses.

10.3 - A fine, in an amount between 0.1% and 10% of the amount of the monthly payment per day of non-compliance (total or partial), may be applied by the Contracting Party as compensation, in case of delays in the provision of the service, not justified under the terms of Force Majeure.

10.3.1 - The fine must not exceed the amount of the monthly invoice.

10.4 - Subsequently to the notification of the issuance of the fine, the Contracting Party may deduct the fine from the payments due to the Contractor or request that the Contractor pay the fine within 10 (ten) days after its notification.

10.5 - The Contractor may appeal against the fine, to the President of the Brazilian Naval Commission in Europe, within five working days of being notified of the penalty. The President of the Brazilian Naval Commission in Europe will issue its final decision within five working days from the date of receipt of the Contractor's appeal. After the decision of the President of the Brazilian Naval Commission in Europe and, should the penalty persist, the fine will be collected according to item 10.4.

10.6 - If twenty (20) business days after the deadline for payment of the fine has elapsed and the Contractor has not yet made the payment, the Navy may terminate this contract, pursuant to Clause Eleven - Termination.

10.7 - Should the total amount of fines exceed 15% (fifteen percent) of the total Contract price, the Contract may be terminated and the Navy may enforce the payment of fines still due.

10.8 – Prior to the issuance of a fine, the Contractor will be allowed to defend himself, within a 15 (fifteen) working days period from the date of the communication of the infraction.

10.9 - The submission of the sanctions provided for in this Contract do not exclude, under any circumstance, the obligation of the Contractor to fully repair the damage caused to the Contracting Party.

10.10 - All sanctions listed in item 10.2 may be cumulative applied.

10.11 - The competent authority, when applying the penalties, will take into account the nature and seriousness of the infraction committed, the particularities of the specific case, aggravating or mitigating circumstances, resulting damages to the BNCE, taking always into consideration the principle of proportionality.

10.12 - The written notifications referred in this item shall be forwarded by recorded delivery.

10.13 - The contractor is liable for death, injury, loss or damage to persons or property, which shall have been caused by the negligence of the Supplier, their servants or agents in the course of the execution of this contract.

10.14 - The enforcement of any of the foreseen penalties will be preceded by an administrative process and will ensure the Contractor's full defense.

CLAUSE ELEVEN– TERMINATION

11.1 – The contract is terminated when all obligations of the parties are fulfilled.

11.2 - The contract may be terminated prior to the fulfillment of all obligations stipulated therein, or before the established deadline, ensuring the rights of defense of the parties, for any of the reasons below:

- a) non-compliance with contractual clauses, specifications or deadlines;
- b) irregular compliance with contractual clauses, specifications and deadlines;
- c) delay in fulfilling obligations within the stipulated deadlines;
- d) the unjustified delay in starting the provision of the service;
- e) highly relevant reasons of public interest, known by the public, justified and determined by the competent authority of the contracting body registered in the administrative process of this contract;
- f) delay in payments due by administration, of more than 90 (ninety) days, related to services or supplies already received or executed, in full or partially, except in cases of public calamity, serious disturbance of internal order or war, guaranteeing to the contracted party the right to opt for the suspension of the fulfillment of its obligations until the situation is normalized;
- g) the occurrence of proved unexpected event or force majeure, preventing the performance of the contract.

11.3 - The termination term shall be:

11.3.1 - An agreement between the parties, provided it is also convenient for the Contractor. The party who wishes to terminate this contract must give the other party 30 days' notice.

11.3.2 – Requested by the contracting party, in the cases listed in items a), b), c), d) and e).

11.3.2.1 - Should the termination occur based on the aforementioned items, without the contractor's fault, the contractor will be compensated for the proven damages suffered and will be entitled to payments due for the services provided until the date of termination.

11.4 - The requirement for termination of the contract will be formally discussed to ensure the full right of defense to the other party.

11.5 – The term of termination, whenever possible, shall be preceded by:

- a) Balance of contractual events already fulfilled or partially fulfilled;
- b) List of payments already made and still due; and
- c) Indemnities and fines.

CLAUSE TWELVE - BUDGET RESOURCES

12.1 - The expenses for this contract are part of the budget of the Brazilian Government, as per details below:

Gestão/Unidade: 70100
Fonte: 0100000000
Programa de Trabalho: 05.122.0032.2000.0001

12.2 - The budget allocation for subsequent financial years will be indicated after approval of the respective Budgetary Law and release of the corresponding credits, through an internal document issued by the Navy.

CLAUSE THIRTEEN - FORCE MAJEURE

13.1 – The parties shall consider force majeure, for the effect of counting the periods established in this Contract, those which, being impossible to foresee or to avoid may prevent one of the parties from complying with the scheduled dates. Proof of Force Majeure must be presented and accepted by the affected party.

13.2 – Therefore, the following are considered force majeure: war, insurrection, revolution, civil war, strike, lockouts, and acts of nature, adverse meteorological conditions, government actions, and others, which in accordance with Sub clause 12.1 escape the control of the affected party and prevent the services in the sites where the object of this Contract is being fulfilled.

13.3 – In the event of force majeure, the affected party shall notify the other party, in writing, within 10 (ten) working days of the start of the force majeure period. The affected party must inform the other party of the consequences of the force majeure regarding the delays under the Contract and the period required in order to overcome those delays. Upon the agreement of the parties, the scheduled dates will be extended by the respective period of the force majeure.

13.4 – The contracting parties may terminate this Contract if the period of Force Majeure persists for 6 (six) months.

CLAUSE FOURTEEN – WAIVERS, VARIATIONS AND OTHER MATTERS

14.1 - No waiver by either the BNCE or the Contractor will be treated as such unless through a formal variation or contract amendment.

14.2 - Any variation to the Contract or the provision of any additional services from those defined in the Object of the Contract will be subject to mutual agreement in writing.

14.3 - The additions or reductions resulting from an agreement signed between the contracting parties may not exceed the limit of 25% (twenty-five percent) of the initial estimated value of the contract.

14.4 - Alterations that do not characterize an amendment to the contract can be made by simple apostille, waiving the signature of an Addendum.

14.5 - The omitted cases will be decided by the parties, according to the provisions contained in this Contract Term, and its Annexes, with the support of the legislation that governs it.

CLAUSE FIFTEEN - PUBLICITY

It is the responsibility of the Navy to publish an extract of this Contract in the Official Gazette of Brazil, in order to comply with legal government requirements.

CLAUSE SIXTEEN – DRAFT OF THE CONTRACT, LAW AND ARBITRATION

16.1 - The draft of this Contract was analysed and approved by the *Consultoria Jurídica-Adjunta junto ao Comando da Marinha - CJACM*, and complies with the recommendations contained in Opinion No. 00075/2023/CJACM/CGU/AGU, issued on 13th of March 2023.

16.2 – This Contract is governed by the laws of England and has its authoritative text in the English language. All matters arising there under shall be determined in accordance with the laws of England and under the jurisdiction of the English courts.

16.3 – Without prejudice of the determined in Subclause 16.2, any dissension, arising from this Contract, which had not been settled by means of an agreement between the parties, can be resolved by Arbitration, in London, in accordance with the Rules of Conciliation and Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules.

- a) Any maintenance (including parts required, such as tyre and battery), repairs or routine services recommended by the vehicle's manufacturer;
- b) 10,000.00 (ten thousand) miles per year;
- c) Provision of a similar vehicle as a temporary replacement if routine maintenance, repairs or services take longer than 48 hours to complete. This does not apply to damage caused by improper use of the vehicle;
- d) Annual MOT;
- e) Collection and delivery of the vehicle, in one of the Organizations, for servicing and annual vehicle inspection (MOT). The date and time of the services must be previously scheduled with the respective representative.

4.1.4 - In addition, the Contractor shall provide the following services during the term of the Contract:

- a) Respond to all service, maintenance and repair calls within the next business day of the order date in order to ensure that vehicle downtime is kept to a minimum;
- b) Carry out preventive maintenance on vehicles at the intervals defined in the Manufacturer's Manuals for the particular vehicle model;
- c) When the damaged vehicle cannot be repaired and returned to a serviceable condition and/or the vehicle requires warranty repairs, fair wear and tear repairs, inspection or maintenance, the Contractor shall provide vehicle with as near as possible specification to that of the defective vehicle at no extra cost to the Organization;
- d) The Contractor's failure to provide a replacement vehicle within forty-eight (48) hours, when required to do so, shall cause the charges applicable to the inoperative vehicle to cease until its return to the Organization or until a suitable replacement is provided;
- e) The replacement vehicle will be subject to all terms and conditions of the Contract while in service and in possession of one of the Organisations.

4.1.5 - The Contractor's Obligations:

- a) Provide and keep up-to-date, at its own expense, all documents necessary for the execution of the object such as authorizations, licenses and registrations with the competent bodies, etc.;
- b) Guarantee and substantiate prove that it has obtained all necessary rights, licenses and consents necessary to carry out its obligations under this Contract in relation to the vehicles;
- c) Guarantee that the vehicles fully comply with the Specifications contained in this Term of Reference;

- d) Guarantee that the vehicles are free from defects and are of satisfactory quality and fit for the purpose established by the Contracting Party; and
- e) Bear the burden arising from any mistake in the preparation of its proposal, including the variable costs arising from future and uncertain factors.

4.1.6 - Contracting Party's obligations

- a) Complete all necessary documents related to the provision of services; and
- b) ensure that the vehicle is insured, kept and operated in a suitable environment, used only for the purposes for which it is designed, and operated in a proper manner by individuals in accordance with the operating instructions provided by the Contractor.

4.2 – Sustainability: The Contractor shall comply with all relevant health and safety standards, as well as Health and Environmental legislation in force for industry's best practices, in the country where the work is taking place.

- c) Coordinate the updating of the follow-up process, amendments and contractual extensions, preparing a report with a view to verifying the need to adapt the contract in order to meet the purpose of the administration;
- d) Take steps to formalize an administrative process of accountability for the purposes of applying sanctions, to be conducted by the sector with competence to do so, as the case may be.

6.9 - The Contractor Party must have a representative in place whom has been accepted by the Administration to represent them for the execution of the contract.

6.9.1 - The appointment of new or existing company's representative may be refused by the body or entity, provided that it is duly justified, and the company must designate another one to carry out the activity.

7 - MEASUREMENT AND PAYMENT CRITERIA

7.1 - The follow-up and inspection of the execution of the contract consists of verifying the conformity of the provision of services, in order to ensure the perfect fulfillment of the Contract, which will be exercised by one or more specially designated representatives of the Contract Party;

7.1.1 - The Contracting Party's representative must have the necessary qualifications to monitor and control the execution of the services and the contract;

7.1.2 - Verification for adequacy of the provision of the service must be carried out based on the criteria provided for in this Term of Reference;

7.1.3 - The Contracting Party's representative shall record the occurrences verified, adopting the necessary measures for faithful fulfillment of the contractual clauses;

7.1.4 - Total or partial non-compliance with the obligations and responsibilities assumed by the Contractor, shall entail the application of administrative sanctions, provided for in this Term of Reference and in current legislation, which may result in contractual termination;

7.1.5 - The management and inspection activities of contractual execution must be carried out in a preventive, routine and systematic manner, and may be carried out by civil servants, a supervisory team or a single civil servant, provided that, in the exercise of these attributions, the distinction of these activities is ensured and, due to the workload, does not compromise the performance of all actions related to Contract Management;

7.1.6 - Services may be rejected, in whole or in part, when in disagreement with the specifications contained in this Term of Reference and in the proposal;

7.1.7 - Under no circumstances will the Contractor itself be allowed to carry out performance and quality assessment of the provision of services performed.

7.2 - The payment is conditional upon the provision of the lease and services under the terms of this Term of Reference;

7.2.1 - Invoices must be issued monthly, and in accordance with the charges payable under the Contract;

7.2.2 - The original Invoices must be presented by the Contractor directly to the BNCE, RPBIMO, and AdiDefNavIngNor, organizations responsible for the vehicles. Copies, electronic copies, invoices by fax or proforma invoices will not be accepted;

7.2.3 - Payment will be made by bank transfer, within 30 days of receipt of the original Invoice, observing the performance the service provided on a monthly basis;

7.2.4 - If there is an error in the Invoice, or circumstances that prevent the settlement of the expense, the Contractor must resubmit a revised document.

7.2.5 - This contract allows the payment of the first installment of the lease after the signing of the contract.

7.2.5.1 - The Contractor will issue the corresponding invoice as soon as the term of contract is signed, for the Contracting Party to make the payment, allowing the Contractor to proceed with the administrative procedures that precede the provision of the service, such as vehicle registration.

7.2.5.2 - For the following stages of the contract, payments will occur through the issuance of the invoice referring to the month in which the service was provided, starting from the effective delivery date of the vehicle.

7.2.5.3 - The Contractor is obliged to reimburse the full amount of the paid installment in the event of non-performance of the object of the contract.

8 - SUPPLIER SELECTION CRITERIA

8.1 - The supplier will be selected by carrying out a Bidding procedure, in the reverse bid auction modality, in its electronic form and the criteria for awarding the tender is the lowest unit price;

8.2 - The economic qualification criteria, to be met by the supplier, are the ones provided for in the Public Tender;

8.3 - The legal qualification criteria to be met by the Contractor are provided for in the Public Tender.

9 - ESTIMATION OF CONTRACT VALUE

The estimated cost of the provision of service, based on pricing research with suppliers, is GBP 220,365.60. The Market Research was carried out based on the Request for Quotation sent to companies with known experience in the field with competence to provide the intended service, within the local market.

10 - BUDGET ALLOCATION

10.1 - In order to meet the expenses referred to in this Term of Reference funds were allocated through sources of funds by the "Orçamento Geral da União".

10.1.1 - The sources of funds will be assigned as per details below:

Gestão/Unidade: 70100

Fonte: 0100000000

Programa de Trabalho: 05.122.0032.2000.0001

Elemento de Despesa: 33.90.39

10.2 - The allocation of funds for subsequent financial years will be indicated after approval of the respective Budgetary Law and the release of the corresponding credits, through an official document.
